

PROFILE

Accu-Truss (Pty) Ltd is locally owned and operated since 1993 and has established a reputation for excellence in supplying roof trusses to South African and international structures. We are an Affirmable Business Enterprise with over 50 years of combined experience in the construction industry.

Our sales, manufacturing, transportation and installation teams operate with only one mission in mind which is the value to the customer. We are dedicated to excellence, integrity of performance and satisfaction of our clients.

Today, we are recognised as one of the top 5 single-unit roof truss manufacturers and installers in the Gauteng province and in the top 10 within South Africa.
