### Company Description

**Action Equipment Company (AEC)** is a forklift truck specialist based in Johannesburg, South Africa, established since 1971. We provide sales, rental and repair of all makes and models of forklifts, reach trucks and side loaders and some of our biggest clients include Telkom and Spoornet.

#### THE COMPANY

Action Equipment Company (AEC) has recently been sold to a consortium consisting of 2 long serving existing members of management and 2 local businessmen. The new owners are Martin Wilson, Garry Davies (25 years with AEC), Richard Reddy (10 years with AEC) and Alastair Adams.

Martin Brings with him over 30 years of good solid business experience and has plans to grow the company considerably whilst maintaining their excellent reputation for quality service. As the Managing Director, Martin is looking forward to meeting old and new clients shortly.
