

Afritrek Logistics

Afritrek Logistics is a road freight logistics company offering a countrywide service to an array of clients from different industries - from blue chip companies to smaller clients. Afritrek Logistics, which operates in a competitive road freight logistics industry, ensures that they endeavour to consistently provide a high level of service while maintaining a strong element of flexibility. Afritrek have, therefore, customised their road freight service offering to meet the requirements of their customers and, therefore, offer road freight, same day express airfreight (SDX), overnight express airfreight (ONX), dedicated full loads and additional services that offer early morning and after hours deliveries. As a leader in the road freight logistics company, Afritrek will happily align their services to suit your needs.
