AGARICUS TRADING: WASTE MANAGEMENT IN DURBAN, KWAZULU NATAL

Agaricus Trading

Directory » Business » Waste Management » Durban, KwaZulu Natal:

Agaricus Trading is the Southern African sales representative for GE Energy in the supply of GE's Jenbacher gas engines.

Our vision is to deliver environmentally appropriate Energy Solutions into the Southern African Market.

GE's Jenbacher gas engines range in power from 0.25 MW to 4 MW Running on natural gas or a variety of other combustible gases to generate electricity.

Biogas from anaerobic digesters, landfill gas, coal mine gas, sewage gas, certain furnace gases are all usable.

Using Patented combustion systems, engine controls, and monitoring enable these power generation plants to meet stringent emission standards, whilst offering high levels of efficiency, durability, and reliability.
