

BEARINGS

Bearings offered:

- Stage Plain Sleeved bearings
- Stage Tilt- Pad Bearings (TPJ's)
- Stage Thrust Bearings
- Bullgear Bearings
- Sleeved Bullgear bearings- Ball & Roller
- Reverse Thrust Bearings
- Reverse Thrust Buttons

All bearings are imported from the United States of America, where they are manufactured from the best materials and to the highest specifications possible for Centrifugal compressors. We can also offer refurbished and repaired bearings at a fraction of the cost of the new original part.

GASKET SETS

Air Reliant supplies all gaskets and “O Ring” kits for all Centac Compressors and Joy & Cooper Compressors.

- Maxi Gasket Sets
- Cooler Change-out Kits(TPJ's)
- Air Cooler Waffle Gaskets
- A large variety of flat gaskets and “O Rings”

FILTRATION

Filtration is very specific to each Turbo compressor. We carry a number of air- and oil filters in stock. Please contact us with regards to special pricing on intake box filtration. We can also do inspections and recommendations on the most efficient filtration for your compressor.
