A.J. BROOM ROAD PRODUCTS CC

BRP ROADING SOLUTION

AJ Broom Road Products discontinued the use of cheque payments several years ago however we are aware of stolen company cheques being fraudulently presented.

Please be aware that the company NO longer issues any cheques as payment instruments.

BRP Roading Solution prefabricated bitumen rubber complete with aggregate for sealing, seal repairs, road maintenance, anti-slip surfacing, bridge maintenance, storm-water control and traffic calming installations. Available in a variety of aggregate sizes.

Maintenance intervention strategies, the key to a long life.
